Letter from Jeff McCaig

CHAIRMAN

CALGARY FLAMES FOUNDATION

JEFF McCAIG

When the original ownership group brought the Flames to Calgary in 1980, they came with a goal and a responsibility. The goal was simple: to win the Stanley Cup. The responsibility was arguably more important and more difficult: to improve the quality of life of the people in this community.

Nine years later, the Calgary Flames achieved their goal, hoisting the Stanley Cup on May 25, 1989. Unlike the first goal which was achieved relatively quickly, the responsibility of improving the lives of Calgarians has been an ongoing endeavor for more than 40 years.

Over the course of those decades the Calgary Flames Foundation has donated over \$60 million to charities in southern Alberta. Working closely with other charitable partners, the Calgary Flames Foundation has supported health and wellness, education, and grassroots sports development, all causes the foundation considers of the utmost importance. However, the Calgary Flames Foundation has not embarked on

their mission alone. We extend our sincerest gratitude to the dedicated hockey fans and citizens of our beautiful city of Calgary and our province of Alberta. Every individual that purchased a 50/50 ticket, participated in one of our fundraising events, made a personal donation or volunteered some of their time helped support our mission. As a result of your kindness, last season, charities across southern Alberta received \$4.9 million.

We are committed to ensuring transparency and accountability within the Calgary Flames Foundation and as a valued supporter we want to keep you informed about the progress and results of our initiatives. Therefore, we hope you take the time to read this year's Impact Report and share in our pride of the lasting difference we have made in our community.

With thanks,

JEFF McCAIG

ROTARY/FLAMES HOUSE

Pillar Feature Story

Calgary Flames Foundation makes \$1.25 Million gift in support of Rotary/Flames House—a long-standing partnership benefitting those most precious.

Rotary/Flames House

The Rotary Flames House opened as Alberta's sole pediatric hospice in 2009. This welcoming residence offers essential respite and end-of-life care to children with life-limiting and complex medical conditions, along with tailored day programs.

The Calgary Flames Foundation has consistently supported the hospice, not only by funding its initial construction but also by maintaining a long-standing partnership.

ROTARY/FLAMES HOUSE

Last year at the Rotary/Flames House there were:

1,230
total nights

FLAMES YMCA GRADE 6

Flames YMCA Grade 6 Program

Grade 6 students in Calgary are eligible for a complimentary one-year YMCA Membership and access to its programs. No application is required; students can simply visit their local YMCA branch to access their free YMCA membership.

32,500+ Memberships
for all nine years the program has run

In 2022-23:

5,320 Grade 6 Memberships

86% of members had never had a YMCA membership before

79% of members identified that they were more active since joining

“ The YMCA Calgary Flames Grade 6 Membership is an amazing and very important part of staying active. The Membership gives many opportunities to participate in sports and activities they wouldn't be able to otherwise. Keeping things affordable and accessible is key. We are very fortunate to have this program and wonderful program directors. ”

Five Recreational Spaces to Benefit Calgarians

The Calgary Flames Foundation announced a significant donation to five recreational spaces in Calgary in partnership with the Parks Foundation Calgary. \$400,000 is directed to the Parks Foundation to support three bicycle pump tracks and two community revitalization projects.

This donation to five much needed and highly utilized recreational spaces in Calgary communities will serve people of all ages.

JR. FLAMES

Jr. Flames

The Jr. Flames Hockey Program, a collaboration between the Calgary Flames Foundation, Calgary Flames Alumni, and Hockey Calgary, provided an 8-week game play opportunity for 150+ players who had previously participated in introductory hockey programs. The program consisted of a mix of practice and game play initially, including a Scotiabank Saddledome event, followed by six weeks of formal games. Calgary Flames alumni coached each team and they each received special Flames jerseys and pucks, while participants also obtained a \$100 credit to register for a 2023-2024 full-time Hockey Calgary Program.

In 2022-23:

281 Jr. Flames players

73% of Jr. Flames players joined after attending the Flames First Shift program

400+ volunteer hours to coach and ref Jr. Flames participants

“Thank you for all the opportunities these kids have had in your program! It has all totally blown us away. The Saddledome experience was just the icing on the cake. My son loved every minute of it! I couldn’t be more impressed with First Shift and now this Flames Jr program, and now our (late bloomer) kid is totally hooked on hockey and can’t wait to play U-13 next year!”

EVENSTRENGTH

Flames EvenStrength

We want to make sure every family who wants to play hockey is able to participate. The Flames EvenStrength Program has provided financial assistance for registration fees for Calgary and southern Alberta hockey players since 1998.

In 2022-23 Flames EvenStrength impacted:

447 participants with
\$310,605 in financial assistance for registration fees

Flames Community House League

The Flames Community House League is a Hockey Calgary league in which teams play a set schedule twice a week, have a standardized fee, no tournaments and inter-regional play. The Calgary Flames Foundation has also provided half ice boards and jerseys for all Hockey Calgary Novice teams.

In 2022-23:

1,216 House League players

“ We are entering our third year with Calgary Flames sponsored house league. As newcomers to Canada, we wanted our son to experience Ice Hockey, but we didn’t want to commit to the league as our schedules are crazy. We were pleasantly surprised with the efficiency and organization in the house league.

The regularly scheduled games and practices were well run and parents seemed relaxed and involved. House league has opened our eyes to a new sport, one that we now enjoy and look forward to. As well as watching our son learning to play hockey we have learned the rules and now watch the amazing Calgary Flames whenever we can. Thank you for this amazing league.

We will be back as long as we can. ”

“I cannot understate the value of the programs to the players. We have some participants come from more than an hour and half away each week to play.

Playing in a facility that was built purposefully for this demographic has brought excitement and the weekly sled hockey program is great for Parkdale and Calgary. It draws people to the community and shows what these athletes are capable of. Hopefully people see this rink and it being used by the sled hockey group will be moved to build more accessible rinks in the future.”

**SUPER
HEROS**

HEROS and SuperHEROS

Four full HEROS hockey and SuperHEROS programs are supported by the Calgary Flames Foundation. HEROS is using hockey as a catalyst for at-risk youth and SuperHEROS is Calgary's first on-ice program for youth with cognitive and physical challenges.

In 2022-23:

140 HEROS players in Calgary

75 SuperHEROS players in Calgary

“ I don’t know where I would be without HEROS. They gave me the opportunity to learn and play hockey when I couldn’t. They gave me a place to go when I was struggling. They taught me so much about respect and responsibility that I never even considered. ”

— Jordan HEROS ALL STAR

“ Parents love this program because it gives us a chance to be hockey parents, to see our children enjoy themselves and get to play the game.

For me, I didn’t know if Lincoln would ever play hockey, but now we get to go every week. SuperHEROS has become a father-son activity that we look forward to every week. ”

— Lance SUPERHEROS PARENT

Post-Secondary Hockey

The Calgary Flames Foundation provides funding for Calgary and southern Alberta post-secondary hockey team operational costs and scholarships to the following: University of Calgary, Mount Royal University, SAIT, Red Deer College, Olds College, and Medicine Hat College.
